

\$320,000 For County Roads

This Was A Real Musical Organization

During the past century Grimsby has had many different bands and musical organizations, but the one pictured above was the Daddy of them all. The picture shows the old 44th Regiment band, with "H" Co., 44th Regt. in the rear, marching off for Niagara Camp on the 16th day of June, 1908. The picture was taken in front of The Village Inn. Main street was a dirt road then. In front is the late Fred M. Howard, bandmaster. The trombone player on the left is the late John H. Gibson. The bass horn player second from right is Len. Falconbridge, now of Montreal, a brother of Mrs. W. H. Groce. The double "B" bass player on the right is Roland Wismer, now of Hamilton. The old Grimsby Citizens band in 1903 was officially appointed as the regimental band for the 44th Lincoln and Welland Regt. and held that honor until the outbreak of hostilities in 1914. During that span of years the band was considered the best rural regiment band in Canada and one of the best small town brass bands in the province. They filled many military and private engagements all over the country and received much merited praise wherever they appeared. Will Grimsby ever have another band like this?

Largest Amount Ever Earmarked For This Purpose—\$140,000 To Be Expended On New Construction, \$67,000 For Maintenance—Ask Government For Larger Subsidy For Snow Plowing—Petition Government To Make Automobile Insurance Compulsory.

Lincoln County Council on Thursday earmarked the sum of \$310,200 for work on the extensive county road system during 1947 when the members expressed approval of the report of the road committee presented by Reeve William Heaslip of Gainsboro Township.

The passage of the report through the committee was not without its stumbling blocks, several lively discussions taking place regarding stretches of road to be taken over by the county in 1947 and in the following year.

During the present year, the council will spend \$140,000 on the construction of roads with \$30,000 earmarked for bridges. A total of \$67,000 was set aside for maintenance on roads and an added \$1,000 for maintenance of bridges. Council also set aside \$35,000 for new road machinery this year together with \$7,000 for repairs to machinery already in use. The committee was empowered by council to advertise for the new equipment to be purchased during the year.

FOUR BRIGHT STARS IN A FOUR STAR CONTEST

Trinity Service Club Bringing Nationally Known Musical Troupe To Grimsby On Monday Evening, February 10th.

Once again "The Davies", Canada's newest concert personalities, are on tour.

Concert stars and matchless singers, they have won invariably from press and public alike, comment on the "rare" excellence of their performances.

Their repertoire embraces songs of every type with equal ease. They make the classics popular and the popular melodies classic with their individual and inspiring interpretations.

Their success everywhere has been instantaneous and complete for with highest artistic principles and careful vocal study they combine naturalness of manner and delivery which has given their performances a wide appeal.

Theirs is the supreme artistic

NEW LEGION OFFICERS INSTALLED FOR YEAR

Officers of West Lincoln branch Canadian Legion and its Ladies' Auxiliary were installed last Wednesday, Reeve of Port Dalhousie, Johnston, Reeve of Port Dalhousie, the Masonic Hall by Zone Commanders F. W. Finlayson, of St. Catharines, and Mrs. D. Sheppard, Catharines, and Mrs. D. Sheppard, Catharines. Legion officers installed were Charles Mason and Robert Walters, sergeants-at-arms; Rev. Francis McAvoy, chaplain; Eric Banks, president; Clifford McCartney and J. E. Saunders, vice-presidents; Herbert Jarvis, secretary; L. A. Bromley, assistant secretary; D. E. Scott, treasurer.

Auxiliary officers are: Ella Robertson, standard bearer; Mrs. George Warner, president; Mrs. George Marr and Mrs. Fred Johnson, vice-presidents; Mrs. L. E. Larsen, secretary; Miss Ann Crane, treasurer; Mesdames H. R. Dowie, Eric Banks, Charles Mason, and Arthur Luey, executive committee. Installing officers were introduced by L. A. Bromley and Mrs. George Warner.

Gordon Cook who presented the Charter to the Ladies' Auxiliary, members of town and township councils and of the Smithville Legion, spoke. It was moved that the executive be empowered to go ahead with the purchase of the Roseburgh property on Paton St. as a possible Legion hall.

FIRE MARSHALL INQUIRY INTO LAST OCTOBER FIRE

The above is an architect's drawing of the proposed new Home For The Blind to be erected in St. Catharines to serve all the sightless people of the whole Niagara District. The main body of the building is the former Children's Aid Society home, purchased a year ago by the National Institute For The Blind.

The pursuit of happiness is part of the birthright of every citizen in a freedom-loving country. It is the right of the blind as well as the sighted. Perhaps you think that those who have lost their sight have lost, too, their capacity for enjoying life—but you do not know the blind! Much that is beautiful can be seen without eyes, and a sense of humour depends upon character and not upon sight.

For many years the Canadian National Institute for the Blind has been working in the Niagara Peninsula to bring as much happiness as possible to blind people. Now a great stride forward is being made, which will materially improve the lot of the sightless here. Plans have been drawn and a site purchased for the Niagara Peninsula Community Centre and Home for the Blind.

It will mean the difference between mere existence and joyful living to many blind people who have no homes of their own. Just as we do, the blind appreciate the little comforts that make for happiness in everyday life. The knowledge that a room is prettily decorated, that sunlight and air are pouring in through the windows, that outside a garden is blooming—these things take the drabness out of life. To have a home they can be proud of, a home built especially for them and where they belong—that will make the pursuit of happiness an easier

chase for the blind men and women who will live in the Niagara Home.

\$70,000 is needed to make this building a reality. The people of Grimsby and North Grimsby are asked to contribute a share of this total. To a blind man or woman now living in a lonely room your contribution will open new doors to happiness. He will have a room of his own for privacy and quiet. He will have the companionship of other blind people if he wants to chat by the fire in the lounge or have a game of cards. Without stirring from home, he will be able to attend blind club meetings, practice his favourite hobby in the hobby room or learn a new one from a trained blind teacher. He will even be able to take industrial training right in the building.

Truly the world will be at his fingertips to explore and enjoy. The beauty of comfort and companionship will be his—and the happy warmth of a friendly home.

It is in your power to give these things to your blind neighbours. Share in their pursuit of happiness with all the generosity that is in you. Give to the Niagara Peninsula Building Fund.

A drive for funds to assist in this building fund will be held in Grimsby and North Grimsby the week of February 10th. Have your donation ready when the canvasser calls at your door. Give what you can, but GIVE.

Investigation Of Blaze That Destroyed Plant Of White Canadian Aircraft Ltd. Opened On Tuesday Morning—May Last All Week—Many Witnesses Called—Cross Examination By Lawyers Is Severe—Witnesses Excluded From Court Room.

Last October 5th, the White Canadian Aircraft Ltd., located on Elizabeth Street was completely destroyed by fire. This conflagration has since been practically forgotten by many, but not by the Fire Marshal's Department. Intensive investigations have been carried out by this Department, until now, on Tuesday morning in the Council Chambers, a Public Inquiry got underway, an inquiry which when completed is supposed to bring forth every detail, every episode, and every scrap of evidence that has been gathered together by these investigators.

Presided over by Deputy Fire Marshall J. E. Ritchie of Toronto, the case is being handled for the department by D. W. Rose. Representing several insurance companies is Mr. T. J. Agar, K.C., of Toronto. J. M. Bullen, K.C., with his associate, E. L. Haines, K.C., is representing the Canadian Credit Men's Trust Association Ltd., trustees in bankruptcy of the aircraft company. The company made an assignment on January 7th.

In the opening phases it was announced that approximately twenty witnesses would be called throughout the inquiry, and when proceedings commenced on Tuesday morning, witnesses were excluded.

Mr. Haines stated that he was appearing on behalf of each witness who had been a former employee of the company.

BELL TELEPHONE CO. PLAN NEW EXCHANGE FOR STONEY CREEK

Dial System Will Be Installed—There Are Now 1,025 Phones On The Heavily Overloaded Winona Central.

A new dial telephone exchange is planned for Stoney Creek. It is announced today by C. O. Colbert, district manager for The Bell Telephone Company of Canada. With the expected completion of the project in the spring of 1948, the advantages will be felt immediately by telephone users in the Winona - Stoney Creek area. The new facilities will offer greatly improved service over the present system, Manager Colbert said.

The new Stoney Creek exchange, bounded by Redhill Creek on the west and De Witts sideroad on the east, will serve an area geographically small, amounting to only 12 square miles, but rapidly expanding both in populace and in telephone importance. It is considered that the higher grade of service afforded by the new exchange will be especially beneficial during the busy marketing season. Customers who will continue to be served by the existing Winona exchange will benefit through relief of the presently heavily-loaded switchboard at the Winona central office. Further, customers both in Stoney Creek and Winona will have improved service through a reduction

NEW WARDEN ASSUMES HIS OFFICIAL DUTIES

Reeve Patterson Of Niagara Town Elected Over Reeve Lymburner By A 15-7 Vote—Presented With Key To Office.

Commencing the 1947 session, the Lincoln County Council elected W. L. Patterson, Reeve of Niagara-on-the-Lake, as Warden of Lincoln to succeed Robert M. Johnston, Reeve of Port Dalhousie. The election of Mr. Patterson marked the first time that the wardenship honor has been given to Old Niagara since the year 1929 when James McPhee was Reeve of Niagara-on-the-Lake and Warden of Lincoln.

Mr. Patterson, Reeve of Old Niagara for the past two years and returned by acclamation for a third term in 1947, defeated Reeve Leslie R. Lymburner who was attempting to follow in the footsteps of his father, the late John M. Lymburner, who was Warden of the county when he was Reeve of Calistur in 1913. Mr. Lymburner contested the election for the wardenship in 1946, losing by a close vote of 11-10 to Robert M. Johnston.

The vote by reeves and deputy-reeves of the county was 15-7 for Reeve Patterson. While there are only 21 members of the council, the 22nd vote is accounted for by the fact that the largest municipality, Grantham Township, has two extra votes, and one member of the council, Reeve J. R. Stork of Louth, was absent from the meeting.

Following the balloting, Reeve Patterson was made the unanimous choice of the council on a resolution sponsored by Ex-Warden Johnston and Reeve Len Hoare of Merriton, who escorted him to the dais. Mr. Patterson, in addition to his three years as Reeve of Old Niagara, also has a total of eight years spent on the council of the

BRANDS FRUIT WHOLESALERS AS A BUNCH OF SPECULATORS

M. M. Robinson Claims That "They Are Not Merchandisers, And At Times Have To Be Protected From Themselves."

Scathing criticism of "speculating" wholesalers who seek a voice in the preparation of import tariff regulations was voiced by M. M. Robinson of Aldershot, secretary of the Ontario Fruit and Vegetable Growers' Association, at a meeting of the two groups held in Toronto.

"The mental attitude of some wholesalers, particularly in the Montreal area, is beyond understanding," said Mr. Robinson. "They aren't merchandisers, they're speculators, and at times have had to be protected from themselves." Protective tariffs, he pointed out, become of paramount importance with the removal of price controls on all fruits and vegetables except apples. Producers must concern themselves immediately with the "form and measure of protection we are going to have this year."

Mr. Robinson accused importers of bringing in carrots "to fatten up the market," at times when Canadian producers were particularly vulnerable. Such import brokers and traders, he added, were of much less importance to the nation than the farmer, "since one produces national wealth and the other takes a toll."

"The wishes of import brokers have no place in consideration of import tariff regulations," he said, "because the welfare of thousands of producers is more important."

Mr. Robinson urged farmers to move cautiously because "we are now at the peak of the inflationary period." Only heavy production would arrest the inflationary trend, he felt, but increased production frequently resulted in surpluses.

JUDGE STANBURY IS HONOURED BY EX-WARDEN'S ASSOCIATION

COUNTY COUNCIL FACED WITH A HEAVY BUSINESS YEAR

Made An Honourary Member—Ex-Warden Johnston Welcomed Into Ranks By His Father Who Was Warden In 1926.

Many Organizations Apply For Financial Help—Other Counties Ask Support For Resolutions—Better Isolation Hospital Facilities Asked For.

The Lincoln County Council commenced the business of the new year last Wednesday with the newly-elected Warden, W. L. Patterson of Niagara-on-the-Lake, presiding over the sessions. The initial session to deal with routine business opened this morning with an unusually heavy agenda of correspondence for the attention of the 22 members.

A heavy year for the finance committee was forecast when deputations and letters were received from seven organizations requesting grants from the county council. V. R. Ramsay, managing secretary of the Ontario Division of the Navy League of Canada, interviewed council requesting a grant in aid of the League's work. Other requests for funds were received from the St. John's Ambulance Association, the Health League of Canada, the Ontario Conservation and Reforestation Association, the Women's Institute Rest Rooms, and Canadian Aid to China Fund and for \$500 for the 1947 work of the Canadian National Institute for the Blind in Lincoln County.

The county council was asked to give their support to resolutions from four other councils in Ontario. One received from the Oxford County Council requested that the provincial government make the carrying of public liability and property damage insurance by car owners compulsory and to petition
(Continued on page 8)

Robert M. Johnston, Reeve of Port Dalhousie and warden of Lincoln in 1946, was officially received into the select circle of ex-wardens of the county at the annual meeting of the Lincoln County Ex-Wardens' Association by his father, Robert H. Johnston, Warden in 1926.

The initiation of Lincoln's youngest ex-warden into the association was the last official act of his father as president of the association for 1946 and put a fitting climax to the past year when father and son headed the two Lincoln bodies. Thomas O. Johnston, cousin of the 1946 Warden and himself Warden of Lincoln in 1916, entered the name of the newest member of the association on the books in his capacity as secretary of the association.

Ernest H. Hack, Reeve of Grantham Township and Warden of Lincoln in 1939, the year of the Royal Visit to Canada, was elected to head the Ex-Wardens' Association for the year 1947. Fittingly enough with the election of W. L. Patterson, Reeve of Old Niagara as Lincoln's Warden for the year, James MacPhee, Reeve of Old Niagara and Warden in 1929, was elected vice-president of the association. T. O. Johnston was re-elected to his post of secretary. Treasurer. The members of the association also selected their 1947 committees during the meeting.

His Honor, Judge J. G. S. Stanbury, Judge of the County Court, received the honor of being elected as the first honorary member of the Ex-Wardens' Association in its history. Judge Stanbury was given the position by the ex-wardens as
(Continued on page 8)

W. L. PATTERSON, Reeve of Niagara-on-the-Lake, who was elected Warden of Lincoln County for 1947 when the county last held its inaugural meeting a week. He won the honor in R. election against Reeve Lymburner of Calistur Town.

FACTS & FANCIES

Frank Fairborn, Jr.

A MOST WORTHY CAUSE

Week of February 10th, the Citizens of Grimsby and North Grimsby will be canvassed for funds to assist the Canadian Institute for the Blind in the establishment of a Home for the Blind in St. Catharines, to serve the whole Niagara Peninsula.

There is probably no Canadian organization which is doing as thorough and as helpful a job as the Blind Institute and there is no group of men with whom we come in contact who show in equal degree just what this training has meant in their lives.

To spend one's days in darkness, seeing all the world's beauty through the eyes of others in a dismaying prospect. Yet we can say truly that we have never met a man or a woman labouring under this particular handicap who was not outstandingly cheerful. They have expressed gratitude for the help given them but apart from this they of all the people with whom we come in contact, leave us with a feeling of strength and renewed confidence.

It seems often as though all these appeals should be unnecessary, as though such institutions should be entirely financed by the governments. And yet we wonder! It is not a bad thing to be brought face to face with the difficulties under which our fellows carry on. We are all to prone to pass by on the other side and forget that everyone is not so fortunate as we and it does us no harm at all to be a little ashamed of our strength and a little generous toward an institution which exists to help others.

The work of the Canadian National Institute for the Blind is too well known to need enlarging upon. The need has been increased by a number of men from the various services who have lost their sight. Don't forget the date and make your response worthy of the cause.

WANTED: SAINTS AT LOW SALARIES

The poorest paid, most criticized, least appreciated, but most useful citizens are the clergy. "The Layman looks at the Minister," by Dr. Murray H. Leiffer, tells what the Methodist laymen want in their ministers in the United States. The best of the laity, being as imperfect as their parsons, would, of course, like perfection.

The minister who "seems pessimistic and defeatist concerning the achievement of of the Christian Church" is disapproved by 98% of the laymen. The required optimism may be sustained better by fixing both eyes on heaven, with only occasional glances at the congregation.

An approved minister must not: "follow notes too closely," differ theologically from his congregation, neglect pastoral calls, be corpulent or untidy, suffer from domestic infelicity, address labor union meetings as often as meetings of service clubs, despite the equally obvious need of the former, or smoke. The minister, should, however, "proclaim equal opportunities and responsibilities for all racial and nationality groups."

The reference to corpulence is gratuitous. The unchristian salaries paid to most ministers will prevent them from becoming corpulent, unless they have a natural tendency to obesity. They already have ample reasons for plain living and high thinking.

With this worldly wisdom before them, ministers who strive to succeed in their missions will be well advised to keep their heads in the clouds, seeking guidance from a higher and original source.

WHO GETS CLIPPED?

Tucked away behind the big news of the week was a little item from Oshawa a few days ago stating that members of a C.I.O. steelworkers' union there had decided to clip their own hair, now that the price of haircuts had gone up a bit. What is so striking about the news is that it places one set of workers against another set of workers, and proves so clearly that every worker is, above all, a consumer.

Steelworkers, because they are producing something for which there is a great demand and which must go through several stages before having any effect upon the average consumer, have not hesitated to claim full public support for their various wage demands. But the barbers, allowed to raise their prices slightly, draw strong protests from those very steelworkers because

the increase has hit their cost-of-living. It has brought home the fact, if not the truth, that a wage increase means very little in actual purchasing power when workers in other industries or services also obtain wage increases by increasing the price of the commodities they sell.

It's a vicious circle, isn't it? And as the Toronto Telegram suggests, the steelworkers should be the least surprised if the barbers form a picket line with signs proclaiming "Steelworkers are Unfair to the Working Classes" and forcibly prevent them from entering "scab" barber shops. It won't happen of course, but, in line with steel union tactics, it would be quite logical.

WE'VE BEEN WAITING

It is a fact that a new "jet-propelled" dishwasher has appeared on the American market.

The automatic dishwasher, of course, is

Sports Department

Boys Athletics: Hockey

Grimsby vs. Beamsville N
Mr. Merkle's big red men took the ice against Beamsville last Wednesday and defeated the boys from down under by a score of 5 to 4.

The scoring was as follows: Metcalfe 2 goals, no assists; McPherson, 1 goal, no assists; Smith, 2 goals, 2 assists.

For Beamsville Rempie, Carlyle, Shearer and Pachariva each got one tally. Penalties were handed out to Rempie and Cornelius of Beamsville and to Buckenham of Grimsby. The McPherson, Smith and Metcalfe line starred for Grimsby and on defense Doucet and Jewson were working well, especially Doucet, whose rough and ready style of play is a definite crowd pleaser.

Basketball

The G.H.S. boys' cage team romped to victory over Beamsville one week ago to-day by a score of 44-24. The game was close until the last quarter when "Have" Jewson and Don Mogg put the pressure on to pull away to an easy win.

Lineup—Jewson, Jones, Ruse, Brydon, Tokiwa, Zimmerman, Mogg, Catton, Lindensmith, McPherson (G), Scrivener.

Girl's Athletics: Basketball

Beamsville vs. Grimsby

The G.H.S. girls broke even on Wednesday last when they won one and lost one to Beamsville. Both Junior and Senior games were fast and rough (for girls) particularly the senior. It seemed to us that the latter was unnecessarily rough and that the referee had lost control. Final scores were:

Juniors: Beamsville 2, Grimsby 15.

Seniors: Beamsville 22, Grimsby 15.

Lineups—Junior.

Beamsville—Forwards, Beaumont, Tokiwa, D. Reid, Rittenhouse and Tibby. Guards: Trapnall, Porter, Penner and Smith.

Grimsby—Forwards, Constable, Schuwers, Dillon, MacLean, Zalec, Kemp. Guards: Powell, Griffith, Marsh, Morton, Cornwall.

Senior

Beamsville—Forwards: Honsberger, Trevelyn, Okawa. Guards: Shore, Davidson, Toster, Bower, Menite, Morale builders and Orange Carriers: Glenna Reid, Margaret Kennedy. Well say, now!

Grimsby—Forwards: Knight.

Marlow, Cornwall, Nellie, Higgins, De la Plante.

Girls scores at Burlington:

Juniors—Burlington 20; Grimsby 9.

Seniors—Burlington 15, Grimsby 10.

Thoughts of a G.H.S. Student on Friday, January 24, 1947 (Recorded on the Globe and Mail Thought Recording Machine, borrowed for the occasion).

3:30 p.m.—"Ye Gods, look at the size of em! They sure grow them

THE GRIMSBY INDEPENDENT

not new. But most of the early model's results were too much like that of a gravel crusher to meet with the general approval of the head of the kitchen. It is claimed, however, that the new jet-propelled models will set aside the centuries-old way of propelling the dishes by hand.

It is the most startling invention to be seen in any kitchen since a man named Gamble invented the first crude can-opener over a hundred and fifty years ago. More to the point is that the application of the jet-propelled principle to a kitchen machine, will free many thousands, if not millions of luckless husbands from the drudgery of "helping with the dishes."

When the familiar daily sounds of clearing up the dishes is heard, no longer will these hapless men have to rattle the furnace, start pounding with a hammer, or turn up the radio to keep from hearing—an impossible thing—the first, second and even third call that their presence is urgently requested in the kitchen.

Well, we've been waiting for that machine, and it can't cross the line into Ontario too soon for us.

Remember that the scarcity of work is not in it, compared with the scarcity of good men.

big at Burlington. This is the team to beat in our group and I predict a tough time of it without Rich. There's the jump at centre. Oh! Oh! Here they come. Phew! They missed that time! Whew! "Have" just scored the first basket, 2 to 0 for us.

4:10 p.m.—End of the first quarter and 14-2 for Burlington. Ouch! Looks like we've had it this game. 4:30 p.m.—Half way through the fourth quarter. It took time but "Have" and Jones finally got going. Score's 30 to 26 for us. Hoge we can hold em. Ouch! They scored again. 30 to 28. Oh! Oh! Here's two foul shots for Burlington. Both good. She's all tied up. "Have" got the ball just outside their second line. He's gonna shoot. Whew! It's in. Jewson sure picked that one out of the fire. Now to get a shower and get ready for the Dance.

8:10 p.m.—Sure is a good feeling to have won that ball game. Now here we go for an evening's fun at the "Fourth Form Fling." Don Mogg is M.C. to-night and he's good at it, nice decorations, too, looks like it might be a good party. 11:30 p.m.—Gee, it's good to relax against the cushions of this big Pontiac. The fourth form party was a real success. Coke, do-nuts, programs, novelty dances, it had all the trimmings to make it turn out well. (yawn) Boy we's good to get a rest. (Thump! Whack!) Gord, what happened! What! Our front wheel is up to the axle in a drainage ditch. Hand me that blanket-blank shovel! (Censored beyond this point).

Special Feature Department
Student Profile:

Just for variety, our lucky student this week is a girl. She is the youngest daughter of a prominent Grimsby Beach family and her name is Evelyn Louise Knight.

Louise was born in Hamilton 19 years ago on the 7th of August, 1927. The 7th happened to be a Sunday, the 7th day of the week—and guess what! She weighed 7 lbs. This, perhaps, would make Louise a candidate for Believe It or Not. And, oh yes, we forget, she is 7 years younger than her big brother, Bud.

After living in Hamilton until Louise was a dimpled cutie of 14, the family moved to Grimsby Beach where they have lived ever since. Louise started to teach old G.H.S. way back in 3rd form and left at the end of 3rd form to attend Haverhill College in Toronto where she was graduated last year. However, this autumn she couldn't start at the University of Toronto because of the crowded conditions there, so she returned to Grimsby High to "rush up on her Maths. Come next autumn she will begin her course in Architectural Engineering at the School of Practical Science of the U. of T.

After four arduous years of being have realized her dream of being an architect. Her career as a short-lived architect will be pretty girl though, because this also has another better ambition, "I want to get married and live here you the finer things." "I don't think it's may laugh. But does Louise who ex-funny, neither may sound silly and plains, "this to some girls, how embarrassing it's every normal ever, I think ambition to want to school girl! And have a home and get married only natural." (Note: family: it's expressed heretofore the ops Knight is not necessarily by Miss de columnist).

that of this col's a less delicate Passing now to that, in cloth-subject, we learn! Kinda, from es, Louise likes to high-heeled skirts and sweaters, though, in shoes. Her pothes in plain wool for tailored fabrics. Most of all and checkers in clothes—a she likes confidence.

very sensible things which she Among the most are; going to likes to do is

the movies (her favourite stars are Dick Haymes (sigh, and Barbara Stanwyck); playing the piano (favourite song: "Night and Day"); and although she hasn't done much of it—travelling (of places to go to Rio de Janeiro tops the list).

Her favourite sports are swimming, tennis, basketball and smoking (which may seem rather odd to some of you, however, she says "it is a good, respectable game which a girl can play as well as a boy can").

When we asked her about her favourite topic—food—her eyes lit up and long strings of drule ran down her mouth. Louise's conception of a "dream meal" is this: "two nice, well-done lamb-chops with mashed potatoes and gravy, mixed peas and carrots, and a cool-looking chef's salad on the side will make the first course; for dessert, apple pie and cheese." (Note—anytime Miss Knight is planning to partake of the aforementioned meal my telephone number is 232-21).

Well, so much for Evelyn Louise Knight (weight 132 lbs., height 5'5") who in her modest way would comment on the above description in much this manner: "Oh, you killer, you!"

Song of the Week
Open the door, Richard—a highly humorous bit of five being given quite a going over this past week by everyone from the Mills Brothers to Boogie Mogg and his "five gentlemen of five and jazz." Personally, for those of you who want to add this rare gem to your record collections, we suggest a treatment by Jack McVey and his All Stars on an American label—black and white. It can be obtained, I think, here in Canada (for a price), however it is really a killer—one worth going after, all you record fans.

The thing opens up with brother McVey knocking furiously at a door and yelling at a gent named Richard inside who evidently doesn't hear him. After a lot of clowning around and wise-cracking the chorus starts and it has really a rather catchy melody. The record ends with the fellow called Jack calling furiously at Richard to "open up that door" and friend Richard continuing to dream on, cozy and warm inside, apparently oblivious to the frantic entreatings of his disgruntled pal.

The song is definitely destined to catch on in a big way and we think it one of the best novelty tunes to come along since "Open the Benzadrine, Benny!"

Business and Finance
On Tuesday last, an important business deal took place whereby the paper route of Donald Mogg was transferred to the capable and willing hands of Donald MacAlonen. When asked for a statement on this transaction Mogg declined and simply said, "Ah, now I can get some sleep for a change."

Mr. MacAlonen, well known in Grimsby and district, is generally thought to be the right man for the job and it is hoped that he will be both successful and happy with his new occupation.

Coming Events
The Grimsby H.S. cage quintets and their fans will enjoy a "happy Friday" of sport tomorrow. Senior and Junior boys play Waterdown here, while the Senior and Junior girls journey to Waterdown for their games.

We think the teams deserve your support so how about turning out in large numbers to enjoy a couple of thrilling games and help cheer your school team on to victory. First game tomorrow at 3:30, only a dime to get in, so why not turn out and show some of the old school spirit—y'ea, team!

That's all for this week, kiddies, and if Betty Hand (who shows much improvement over last week) will finish knitting that pair of Irish green bobby socks, we'll tell you more next week.

Awfully glad to see Bea Farrell circulating around again.

If Dix will drop in the office I'll tell him where he can get his shirts laundered.

Bill Sangster, "The Laird of Scotland", still working. Only one way to stop him. You buy the bullets!

Jean Millyard and her Red Cross committee doing a grand job on their Home Nursing School now being conducted in Trinity Hall.

If I was Councillor Bob Johnson I would move off Murray street and into that new office building. That is the smartest thing that has happened in Grimsby since Archie Alton bought the Hydro.

Here's one for the book. Herb Betzner can run a typewriter almost as fast as this columnist and that is going some. Both students of the school of Hunt and Peck, but we cover a lot of territory.

Supt. Lawrie and his men are to be congratulated on the excellent job that they made of cleaning that almost unbreakable ice from the curbsides. It was a lot of hard work, but they did a great job.

Who put the smart one over on Chairman J. Harry Wells and Water Commissioners Mayor Bull and P. E. Wilkins, by paying the water rates one year in advance. There cannot be a repercussion either.

It will not be long until the water Commission will have their new truck for Supt. Andy Henderson to ride around in. That old truck will be a lot of help to Supt. Andy Cloughley, in Queen's Lawn Cemetery.

Here is a problem. Is Chairman of the Hydro Commission D. Elliott Anderson attending council meetings because he wants to keep track of municipal affairs; because he has the itch to get back in council or because he is checking up on Councilor Alton?

Nicholas N. Budnar, of Midtown Motors, had a new Fraser car in town on Friday. Smart looking job. But paint and finery does not hold an automobile together the same as it does a woman. I still think I'll buy a Buick. That is if the Village Banker will look favourably upon my paper. I have ma doots, doubts.

Dot McVicar down town shopping and grouching to this columnist, "I wish the hockey season was over. I would like to see what the Old Man looks like for more than two minutes at a time." Dodo! you have no great kick coming. You did not see him that long at any one time in 1924-25 and yet you paraded him to the Altar.

Sun will soon be shining on both sides of the fence and Alex Scott, my neighbor, will soon be out again. Ma does not know this, but Alex and I have bought a race horse. Will tell you the repercussions next week. Gosh, Alex and I have to have something to do this summer. Would not be surprised there was a bull pup come along with that hoar.

I have always known that gal from the North Ward, Ethel Voight, would some time or other cash this column, but I did not expect that it would be in the role of Press Agent for a theatrical troupe. But that is what happened. Who else do you suppose talked the editor of this paper out of that front page story about the "Four Davies" appearing for the Trinity Service Club. Being an old P.A. myself, she certainly put the bee on me.

Mayor Bull is going to wonder how I know about this, but then a good newspaperman knows everything, without publishing everything. That was a wonderful fine gesture, both to his own people and to the town council of Grimsby, that that newly elected councillor of Beamsville telephoned and asked the privilege of sitting in at last Friday night's session of Grimsby council, the government officials and the engineers, on Grimsby sewer problems. That man is looking after the interests of his people all trying to gain knowledge. Mayor Bull acceded to his request and no doubt the information that he gained will stand the citizens of Beamsville in good stead when in the very near future they are faced with a flock of sewer problems. Do not ask me too many questions, Mayor.

Just a passing thought—Why not give the 945 assessment a boost. That will cut your Mill rate down. Remember your assessment is being made one year in advance. I do not think that your 1947 Mill Rate is going higher than 37 mills. Then boost your 1946 assessment to where it should be and with all your sewage development and other necessary construction work within your town, your 1946 rate will not be higher than 37 mills. City of Toronto, the most successfully operated municipality in Canada hovers all the time between 36 and 38½ mills. But remember, Toronto is growing. So is Grimsby, and wants to grow bigger if we will only sit down and realize the fact. We must get away from that Penny Wise, Pound Foolish Attitude. I think that we will because Deputy-Reeve A. C. Price is a member of the Lincoln County Council Finance Committee and they are going to spend \$320,000 on County Roads. If he passed that estimate then he certainly cannot have much kick coming on a little money bag spent in Grimsby. How about it, A. C.?

Thursday, January 30, 1947.

A man is not old until he begins worrying about how bad is the younger generation.

The avant who says no new rs has been originated in 5,000 years should look over some of the neckties given as gifts.

WHITE

employee of the company. Mr. Haines also registered an objection on behalf and asked for protection of the court.

The commissioner accepted this objection and noted it as it would apply to each and every question put forth by counsel in examining witnesses who come under Mr. Haines' jurisdiction.

Lawrence Neylon was the first witness called, and made it known that he was an employee of the White Aircraft plant at the time of the fire. He also identified a sketch of the plant. This sketch for the record was entered as Exhibit 1.

The second witness to be sworn in was Harold Ford, who on the night of October 5th, was night station agent at the C.N.R. in Grimsby. Ford under questioning by Mr. Rose:

Rose: "You were night station agent at that time, namely October 5th and 6th."

Ford: "Yes."

Rose then asked if the White Aircraft plant was visible from the C.N.R. station. "Normally, yes," said Ford. However on the night of the fire a line of box cars obstructed the view.

Rose then asked about the alarm that Ford phoned in. Ford explained that he thought it was the Japanese camp that was on fire, seeing only a glow in the sky, and not the actual flames. He continued that his signal to the operator in the telephone office was answered in a normal length of time, estimated to be just a few seconds. The time of this alarm according to Ford's evidence was "pretty close to four."

Haines questioning Ford took the "noise" element into consideration. That is the noise from shunting trains in and around the station. Ford said that on the average there was a train either going through or stopping at Grimsby every half hour.

"Yes, there is considerable noise," Jarvis Ford.

Lloyd Jarvis an employee at the Jarvis Bakery at 13 Depot Street was next brought to the witness stand.

Counsellor Rose questioning him:

Question: "What time did you see the glow?"

Jarvis: "About ten to four."

Question: "When you arrived where were the flames coming from?"

Jarvis: "Along the south side."

Question: "All along south side."

Jarvis: "Yes."

Jarvis then told about meeting the nightwatchman at the corner of Clarke and Elizabeth Streets. "He was very excited." Upon his instruction Jarvis and his brother returned to the Independent building where Lloyd Jarvis started ringing the fire bell. "The fire truck was pulling out when we got there," he concluded.

Mrs. Hattie Waites, telephone operator for the Bell Telephone Company for almost thirty years, and who was the only operator on duty on the night of Oct. 5, between the hours of 10 p.m. and 7 a.m. was then called to the witness chair.

Mrs. Waites told of getting a call from the aircraft plant on line 452, answering this, she found that it was out of order. Seconds later the other line from the aircraft plant (453) signalled on the board. This line was also out of order. The first call over 452 came at 4 a.m.

"At 4.05 I received a call from the C.N.R. Immediately after this call, I phoned Chief LePage."

Mrs. Waites told Rose that the average time in answering a call would be about thirty seconds.

Haines then asked Mrs. Waites: "Were you on duty when Horrocks-Ibbotson burned?"

Mrs. Waites: "No."

C. B. Boo, of Hamilton, a Bell telephone repair foreman was questioned relative to some technical points of the telephone system installed at the White Aircraft plant.

The next witness was Fire Chief LePage.

Questioned by Rose:

Question: "What time did you get a call?"

LePage: "About ten to four."

Rose: "How long to get ready to leave for fire?"

LePage: "About five minutes."

Rose: "How long to get there?"

LePage: "Two minutes."

LePage told of arriving at the plant with a full company of fifteen men. Finding the entire plant on fire and the roof broken through. All available lines and hydrants were put into use. The fire was out of control, although the office was smoking, an attempt was made to save this. The company remained on the scene until everything was under control.

Again reference was made to the Horrocks-Ibbotson plant, when asked by Haines whether there had been any trouble getting the alarm on this occasion, LePage said "I

couldn't say."

Commissioner Ritchie asked LePage: "Were there any explosions?" (White Aircraft fire).

"Yes, near the front of the building," answered LePage. "There was a kind of sulphur flame. The explosions were minor and inside the building."

A recess was held at this time.

The first witness of the afternoon session was Chief of Police W. W. Turner.

Turner told of the circumstances leading up to his knowledge of the fire. He was at scene before the fire apparatus arrived, and told of assisting the night watchman in getting his car from the doomed structure. The seats of the car were smouldering when it was pulled out of the building.

Turner told of having a conversation with the night watchman about a week after the fire. It was then that he told Turner that he felt that a door had been unlocked after he made his last round. He also made reference as to carrying a gun while on his job.

Agar questioned: "Are you certain that Bates (the night watchman) stated that a door was open three or four inches?"

Turner: "Yes."

Arthur Metcalfe, an employee of the White Canadian Aircraft was the next witness. He stated that he had returned for overtime work the night of the fire, working from about six to ten at night.

Rose questioning: "Why was it necessary to wrap tables on overtime?"

Metcalfe: "Because they were going out the next morning."

Rose: "Were there any full time wrappers?"

Metcalfe: "No."

Metcalfe said under questioning that all tables had been wrapped at ten o'clock, when he left the plant.

Rose: "You were working with whom?"

Metcalfe: "Larry Neylon."

Rose: "What conversation did you have with Neylon?"

Metcalfe: "None that I know of."

Rose: "What was condition of plant at 10 o'clock?"

Metcalfe: "All right, as far as I know."

Rose: "After Bates turned up at seven o'clock, did anyone else enter the plant?"

Metcalfe: "Not to my knowledge."

Rose: "Were you near paint shop that evening?"

Metcalfe: "No."

Rose: "Were you smoking that evening?"

Metcalfe: "Yes."

Metcalfe told Rose that both he and Neylon were careful with matches and cigarettes.

Rose: "Who told you about the fire?"

Metcalfe: "My sister-in-law."

Counsellor Haines then asked that a statement taken by the Fire Marshall's Department sometime ago, be marked as exhibit 2. On this statement, Metcalfe is alleged to have signed his name, stating that he found out about the fire when he went to work on Saturday morning. Counsellor Agar then examined the witness. Metcalfe told of talking to Neylon about the fire, but "I definitely didn't ask him what started the fire."

Metcalfe was on the stand for an hour and a half.

The final witness of the opening day of the inquiry was Larry Neylon, an employee of the White Canadian Aircraft Company since November 18th, 1946. His brother, F. E. Neylon is, or was, secretary of the Company.

Rose questioning:

Rose: "Have you ever discussed fire with anyone?"

Neylon: "I never have except with Inspector Lucas."

Rose: "What would you say if I told you that Metcalfe has sworn that you have talked about fire?"

Neylon: "Not to my recollection."

Rose: "You mean you have never talked to anyone about this fire. Not even your wife?"

Neylon: "Oh, yes, naturally her."

Rose: "Did you know on the day of the fire that they were carrying insurance?"

Neylon: "No."

Rose: "What conversation did you have with Metcalfe when he left this room?"

Neylon: "None, except I asked him if he had to come back tomorrow."

oRse: "I suggest, that you are not telling the Commissioner the truth either with regard to the fire—Objection. Mr. Haines. "You may ask questions of the witness, but not make statements."

Rose: "Are you (Neylon) satisfied with this as it stands?"

Neylon: "I am satisfied."

It was at this point that a verbal debate between Counsellors Haines and Agar developed, as to the "blanket objection" lodged at the beginning of the inquiry, which was to have courts protection for certain witnesses de-

NOISE HAZARDS

Output of an industrial establishment may fall as low as 40 percent of normal, due to the noise hazard, declare industrial health experts. The Department of National Health and Welfare points out that noise is more than

a mere nuisance—it has a detrimental effect on health, particularly of workers in noisy industries. Sound-proofing and noise control measures, outlined in a new departmental publication now on issue, are recommended to employers and employees.

"HALCYON DAYS" DATE FROM ANCIENT GREECE

The phrase "Halcyon Days" dates back to a belief of the ancient Greeks, that during calm, bright days that sometimes intervene in the midst of the Mediterranean winter a bird called the halcyon, usually identified as the kingfisher, made a floating nest on the quiet waters and there reared its young. The word "halcyon" itself is a combination of two Greek roots meaning "sea-borne."

There is reason enough for supposing that the kingfisher actually was the halcyon of the ancient Greeks. It is of necessity a waterside dweller and thus would have been familiar to sailors and especially to fishermen. The latter may well have admired its skill at their own craft. It is quite unlikely that the Greeks, who were on the whole not very observant naturalists, would have noticed the kingfisher's habit of occasionally vanishing into a hole in an earthen bank or bluff, so that the whereabouts of its nest remained a mystery. And where facts do not presently come to hand to explain a mystery, a superstition is very likely to take their place. Hence the story of the floating nest.

TEN POINTERS FOR THE WELL DRESSED MALE

Menjou's pointers for the well-dressed male include:

1. Your suit coat should have narrow sleeves. The cuffs of your shirt should always show.
2. Your trousers should break just over the instep.
3. Wear suspenders. Trousers are not made for belts.
4. Be especially careful about the fit of your coat collar. A coat that doesn't fit about the collar will be an all-round misfit.
5. Do not tie your tie in a tight knot. Keep it loose.
6. When you wear a dark suit wear black shoes, never brown. Brown shoes are only for light coloured suits.
7. Never wear striped shirts with a striped suit.
8. White shirts are correct for all occasions.
9. Stout men should never wear single-breasted suits, and short men should wear stripes, never checks.
10. Wear little or no jewellery. The less jewellery a man wears the better dressed he will be.

Two heads are better than one except when you have to buy groceries for both mouths.

The pioneer who rode in a covered wagon has a grandson who will not ride in an auto which hasn't a heater.

... With the biggest construction programme in our history. It calls for spending \$100,000,000 before the end of this year to provide the civilian telephone equipment which could not be installed during the war.

TELEPHONE HIGHLIGHTS OF 1946

TELEPHONES . . . 125,000 new telephones were connected to bring the total to 1,175,000 — an all-time high.

CONSTRUCTION . . . \$35,000,000 was spent for lines, switchboards and buildings.

CALLS . . . 7,700,000 local calls and 147,000 Long Distance calls were completed daily.

EMPLOYEES . . . 6,000 new employees were added making a total of 22,000 in the Bell family.

Our \$100,000,000 construction programme is being pushed at top speed so that you may continue to have the best telephone service at the lowest cost.

THE BELL TELEPHONE

COMPANY OF CANADA

Social Events — Personals — Organizations — Club Activities

Mrs. W. J. Bidnell is flying to New York on Wednesday to meet her sister, Mrs. J. Coyne of Wales who is arriving in New York, February 5th.

Annual Meeting of Grimsby Branch of the Bible Society is being held in the Baptist School Room next Tuesday evening, Feb. 4th, at 8 o'clock.

An enjoyable evening was spent last Saturday at the home of Mr. and Mrs. Maurice Childs, Winona, when a surprise birthday party was held in honour of the latter's father, Mr. A. Halls, Grimsby. Prizes for euchre were won by Mr. A. Halls; Mrs. Allie Jacobs, Hamilton; Mr. George Calder, Hamilton and Mrs. A. Halls.

Earl J. Marsh, Kenneth C. Baxter, Clarence W. Lewis and Jack Puddicombe, the Peach Prince of Winona, left last night for Vancouver to attend a convention of fruit wholesalers and shippers from all across Canada.

On Sunday evening the congregation of Trinity United Church had an opportunity of seeing a group of coloured lantern slides on Korea. The pictures showed a part of the work which is being done by our Canadian Missionaries in these distant lands.

Nuptials

SAMETZ-KROCHAK

A quiet wedding was celebrated at St. Mary's Church, Grimsby, on January 18th, when Rose Mary Krochak, only daughter of Mr. and Mrs. Peter Krochak, 17 Elizabeth St., became the bride of Anthony Sametz, son of Mr. and Mrs. Sam Sametz of Niagara Falls.

The young couple are at present residing in St. Catharines. As soon as the bride's mother recovers from a severe illness they will take their wedding trip to Miami, Florida.

In Memoriam

MUNSON—In loving memory of our dear friend, Cicely Munson, who passed away January 28th, 1945.

—The Chivers family.

MUNSON—In loving memory of Cicely Munson who died two years ago, January 28, 1945.

A loving friend, so gentle and kind, What a wonderful memory she left behind, Long days, long nights she bore her pain, To wait for cure but all in vain, Till God Himself knew what was best, He took her home and gave her rest.

—Mr. and Mrs. Ambrose.

Card of Thanks

Hechalutz Farms wish to thank the Grimsby Fire Department and those neighbours who helped to extinguish the fire on their premises.

We wish to express sincere thanks to our many friends and relatives for their kindness, sympathy, and beautiful floral offerings during the illness and death of George H. Wilson.

—Mrs. A. R. Hayhoe and the Wilson family.

BEAMER—We wish to thank our neighbors, friends and relatives for their acts of love and sympathy during the recent loss of a beloved wife and mother. Also for the many floral tributes.

G. M. Beamer and family.

YOUNG ADULT GROUP

The Young Adult Group of Trinity United Church held its week-night meeting in Trinity Hall on Thursday evening, January 23rd. The business session was presided over by Miss Maise Cullingford.

The second part of the meeting was taken by the Citizenship convener, Miss Agnes Humphreys, who took as her theme the new "Canadian Citizenship Act." Others taking part in the program were: Mr. and Mrs. Carman Konkle, Mr. Duncan McIntosh, Lorne Harris and Donald Kennedy. The meeting was closed with an interesting Quiz contest on Canada.

LONDON MINISTER AT TRINITY UNITED SUNDAY

The Pulpit Supply Committee of Trinity United Church has extended an invitation to Rev. John B. Bonham, M.A., of London, Ontario, to preach both services next Sunday, February 2. Several different ministers will be heard during the coming weeks with a view of choosing a new minister.

Rev. Mr. Bonham is an ex-Chaplain of the R.C.A.F. with ten years experience in the ministry, and is highly recommended by leading church officials. He is at present the assistant minister of Dundas Centre United Church in London, Ontario, and previous to his enlistment, had filled charges at Princeton and Watford.

It is hoped that every member will be present at both services to hear Mr. Bonham.

LADIES' WILL INVADE DEN OF GRIMSBY LIONS

Next Tuesday night is the big night of the year for Grimsby Lions Club. It is Ladies' Night and as usual will be held in The Oak Room of The Village Inn with dinner being served at seven o'clock sharp.

There will be special musical numbers and a skit or two by members of the club, bridge for those who desire that form of amusement and dancing to Wally Miller's orchestra.

Dean R. O. Hurst, College of Pharmacy, Toronto, will be the guest speaker of the evening. Dean Hurst is a well known after dinner speaker and the club are most fortunate in securing him. His subject will be "Fellow Travelers."

Cubbing

The Tawny Six were again awarded the honour flag for "A" Pack. After the opening and Boney the various Sixes were engaged in different pursuits in jungle lore. The Tawny Six were outside studying compass points, the Blue Six prepared next week's programme while the White and Brown worked on the Morse Code. A few cubs who still had skipping A pass before gaining their first to pass were taken in charge by Bagheera. Brian Tennant and John Brooks were successful and now have "one eye open."

The story of the death of Sher Khan the Tiger was told by Akela around the campfire, followed by a lively sing song.

In B Pack the following tests were completed: Murray Shaw, "knots"; Douglas Swayzie, "time" and Lynn Lambert, "Ball Throwing." The First Star Cub with the help of Baloo and Mowgli studied the Morse Code and had a grand time using the Signalling set recently acquired by the Pack.

At The Inn

Despite the fact that the regular Saturday night dinner dances at The Village Inn were cancelled through the month of January this popular hostelry has been the scene of many private social functions.

Regular Saturday night, hope will not be started again, Peggy O'Neil, popular manager of The Inn, informs The Independent, until about March 15th, when she contemplates bringing a new orchestra and several high class floor show artists to The Oak Room.

In recent weeks the following social functions have taken place at The Inn.

The Lakeshore Hunt Club, of Beamsville, entertained at a banquet for the ladies.

Mrs. E. A. Buckenham entertained the I.O.D.E. executive at a tea after their recent meeting.

The 10th Field Battery, R.C.A., of St. Catharines, held their annual dinner dance in The Oak Room. Among those present were Col. and Mrs. Greer; Major E. H. Lancaster, K.C., and Mrs. Lancaster; Major and Mrs. Boase; Col. and Mrs. Bell; Capt. W. B. C. and Mrs. Burgoyne. Over 100 couples were in attendance.

Miss R. Grainger of St. Catharines, entertained at a dinner party. The Metropolitan Life Insurance Co., held their annual Ladies' Night Dinner Dance, over 100 couples attending.

Mr. and Mrs. R. Newman of St. Catharines, entertained recently at a dinner bridge for 60 guests.

Mr. and Mrs. R. Dickenson of Hamilton entertained at a dinner bridge recently.

Mr. and Mrs. W. Cooper of Hamilton, entertained at a dinner bridge.

Miss Kathleen Riley and several school teachers from St. Catharines entertained their staff at a dinner party.

Mr. and Mrs. J. Burns of Hamilton, entertained at a dinner party and bridge.

The Niagara Farmers Dealers Association are holding a dinner meeting this Thursday, January 30th, for approximately 40 members.

Recent guests were Mr. and Mrs. T. M. Marsales, Buffalo, N.Y.; Mr. L. H. Stringman of Woodstock, Mr. and Mrs. A. Leese, Orillia, Ontario; Mr. S. B. Treat, Mr. Wayland Dillon, of Hudson, Mich.; Mr. A. T. Neal, Edmonton, Alberta; Mr. and Mrs. Jas. Robertson of Dundas; Mr. Gordon Murphy of Toronto; Mr. and Mrs. G. L. Brown, Oshawa, Ont.; Mr. and Mrs. J. E. O'Brien, Toronto; Mr. and Mrs. J. J. Fraser, Kingston, Ont.; Mr. and Mrs. Brown of Ridley College, St. Catharines, and son Timothy.

Judge H. M. P. Deroche, Saskatchewan; Mr. G. Peacy, Toronto; Mr. E. Haines, Toronto; M. J. Hachett, Toronto; T. W. Scott, Toronto; Miss Oswald, J. Agar, Toronto; M. Pelton, Toronto; T. M. Pelton, Toronto; T. M. Pelton, Toronto; W. T. Freeman, of Ontario; G. Lucas, Fire Marshal, of Ontario; Toronto; M. Nelson, Mr. D. Mr. J. E. Ritchie, Toronto; Mrs. G. M. Rose, Toronto; Dr. City; Richard A. Martin, New York and W. Mitchell, Toronto.

B.Y.P.U.

In connection with the Baptist day the B.Y.P.U. a Youth Fire Church are holding School Hall side service in the city o'clock, commencing at 8 o'clock. There will be

lar. They cannot understand why he wants a little time to rest in order to accustom himself to peacetime conditions. Dorothy McGuire, in the role of a lovely young war widow, understands his problems and skillfully guides him to his goal and eventual happiness for them both.

A "SCENTED" CITY

Bad smells in New York are to be replaced by spicy, fruity or flowery odors, thanks to the development of carbon air purification.

says Mr. Hugh T. Porter, a pioneer in the method.

Carbon purification is based on the fact that smells disappear when air is passed through carbon-coated pipes.

Already carbon is used to purify air in sewage plants, railway carriages, air-liners and refrigerators so as to prevent "flavour transference."

NOTICE

The public is cordially invited to attend the annual meeting of the Grimsby Branch of the Red Cross, to be held in Trinity Hall, Monday, February 3, at 3 p.m.

ANNIVERSARY SERVICES AT ST. JOHN'S CHURCH

The anniversary services on Sunday were conducted by the Rev. J. M. McKelvie of Calvin Church, Hamilton, and were attended by good congregations, the Baptist Church withdrawing its evening service. In the morning the guest soloist was Mrs. G. Ryerson and in the evening an octet of young men under the direction of Mr. G. Eaton sang very acceptably.

On Monday evening the Annual Meeting was held in the Sunday School rooms. At 7 o'clock the ladies served a Pot Luck Supper and after the tables were cleared Rev. F. McAvoy took charge of the meeting, the clerk of the church, J. H. Dick, acting as secretary. A pleasant surprise was the presentation by Mr. McAvoy to Mr. Wm. Sangster of a travelling bag for his long and faithful services as Superintendent of the Sunday School and to Mrs. Sangster a beautiful bouquet, each making suitable replies.

The business of the evening and reports from all organizations showed the church to be in good financial condition. Mr. A. C. Price reported for the session. J. H. Dick for the Board of Managers. Mrs. H. Young the Sunday School, Mrs. J. H. Dick the Ladies' Aid, Mrs. W. H. Morris the W.M.S., Mrs. A. Stevenson the Beaver Club, Mr. D. C. Thomson the Ushers' Club, and Mrs. A. Stevenson the choir.

During the year the church management received gifts from Mr. and Mrs. A. Smith, a mirror for the organ Mr. and Mrs. D. C. Thomson, a suitable light for the organ and Honor Rolls from Mr. and Mrs. J. H. Dick. It was also reported that a bequest of \$5,000 had been made to the church by the late Burgess Book.

Before closing the meeting hearty votes of thanks were moved by Mr. G. Crittenden, D. C. Thomson, A. C. Price, D. E. Anderson and others to all organizations for their encouraging reports and to all who had worked to make the evening a success. Rev. F. McAvoy closed the meeting with prayer.

A new organization within the church has come into being in the past few weeks known as the Thursday Night Club, when the male members gather to discuss business matters in connection with the church and for social recreation. All citizens are invited to attend these meetings if they so desire.

Vinemount News

The Vinemount W.I. Euchre and Dance will be held in the W.I. Hall Thursday night, January 30th. The Red Hill Ramblers will provide the music cards at 8.15 sharp.

The election of officers for the local Sunday School was held Wednesday, January 22nd. The following officers were elected: Hon. Superintendent Mr. F. Maffey; Superintendent, Mr. Frank Tweedle; Associate Supt., Mr. Leslie Thomas; Teachers and associates: Messrs. L. Thomas, F. Tweedle, Messrs. J. Fleming, C. Tweedle, F. Tweedle, L. Thomas, Misses Alice Tweedle, Doris Thomas, Muriel Bowlaugh, Jean Tweedle; Secty-Treasurer, Gladys Tweedle; Associate Secty Treasurer, Reita Thomas; Librarians, Laverne Tweedle, Bobby Staples; Auditors, George Krick, M. Tweedle.

A pot luck supper and social evening celebrating the 21st anniversary of the Local W.I. was held in the W.I. hall Monday evening, January 27th, when members, their families and friends, spent a most enjoyable evening. Euchre, Chinese checkers, hockey and dart playing provided entertainment for young and old. A silver collection to help send the serum so urgently needed for the sick and dying Chinese children was most gratifying.

The Vinemount Teenager's met in the hall Saturday night with a goodly number present. Games of all kinds, including a checker contest was much enjoyed, also dancing. Mr. Stuart Jeffries was in charge of music for dancing. Saturday night, February 1st, the Teenagers will have Movie Talks Educational Films shown by Mr. J. Cronin of St. Catharines. A hearty welcome to old and young to come and enjoy the program provided and see what your children are doing while at the hall under the leadership of Miss Doris Thomas and her committee.

GROWING PAINS?

What parents sometimes accept too readily as mere "growing pains" in children may, in fact, be symptoms of rheumatic disease. The Child and Maternal Hygiene Division of the Department of National Health and Welfare, Ottawa, suggests that, if children exhibit signs of pallor, nervousness and irritability, accompanied by static or falling weight, the family doctor be consulted immediately, as a safety precaution.

January 25th—To Mr. and Mrs. Donald Fisher, Smithville, a daughter.

January 26th—To Mr. and Mrs. George Robinson, Grimsby Beach, a daughter.

January 27th—To Norman and Mrs. Warner, Grimsby, a daughter. (No hockey player here.)

Obituary

DR. D. H. GESNER

Funeral services for the late David Henry Gesner, M.D., were held from the Stonehouse Funeral Home on Thursday afternoon last and were very largely attended. Rev. E. A. Brooks of St. Andrew's Church officiated. Interment was in Queen's Lawn cemetery.

Casket bearers were: John Gillard, Alex Gesner, George Marr, James Walker, Donald Smith, Gerald Liddle.

MRS. G. MURRAY BEAMER
A large gathering of friends, acquaintances and members of the various organizations with which she had been so prominently connected during her over half a century of activity in the district attended the funeral services for Mrs. G. Murray Beamer, held from the Stonehouse Funeral Home on Thursday afternoon last. Floral tributes were numerous and attested to the high esteem in which she was held by all.

Rev. W. J. Watt, of Trinity United Church conducted the services.

Casket bearers were: William Geddes, William McInven, A. B. Bourne, Emery Patterson, J. O. Moore and P. E. Wilkins.

GEORGE HENRY WILSON
With many old friends and acquaintances in attendance the last rites for George Henry Wilson, formerly of Toronto, were held from the Stonehouse Funeral Home on Friday afternoon last. Services were conducted by Rev. Mr. Hunter, of Westmoreland United Church, Toronto, assisted by Rev. W. J. Watt.

Casket bearers were: William George and Charles Wilson, Lance Hayhoe, Fred Schwab and N. G. VanDyke.

Among those from out of town attending the funeral were Mr. and Mrs. Robert Palmer, Toronto; Mrs. John Corless, Mrs. Walker, Sr., and Harold Walker of Burgessville, and Mr. Norman VanDyke, Richmond Hill.

Boy Scouts

1st Grimsby (Lions) Troop
The next meeting will be held on Monday, February 3rd, at 7 p.m., at the High School.

Duty Patrol
Beavers, Patrol Leader D. Levine. This patrol will provide a skit for the Council Fire.

At the last meeting the Bronze Arrowhead was presented to Patrol Leader A. Baisley, Second C. Schwab and Merritt Anderson. This award was made for passing an examination on a patrol leader's course held at Beamsville.

Two very amusing skits were given at the Council Fire, the Beavers Patrol presenting "The Cattle Thief" and the Seal Patrol "We Ain't Got None."

The hockey game between the 1st Grimsby Troop and the Beamsville Troop scheduled for last Friday and postponed due to a thaw will be held this Friday, January 31st, if ice is available. All players will be notified.

February 16th to 23rd will be proclaimed as "Boy Scout and Girl Guide Week" throughout the whole of Scouting.

FISH VETERANS

How long do fish live? The New York Aquarium has a record of striped bass living for twenty years, large-mouthed bass living for eleven years and white-fish which reached fifteen years. The London Zoo had a lungfish which reached nineteen years, and there are untried accounts of European trout which lived fifty-three years in captivity. Eels in aquariums have lived as long as fifty-five years.

SPORTOLOGY

(Continued from page 6)

to end the affray one way or another and sallied forth on his lone hook and tallied for the Kings. The score is tie 5 all and four minutes to go. Kings played a five man kitty-bar-the-door defence. Ports are turning on all the steam pipes and battling like mad for a tie on their own ice was the same as a defeat. But the Kings were not to be defeated and there goes the bell, the game is over.

That game was the fiercest and most hectic contest that the Kings took part in during their long and glorious march to the intermediate championship and the dethroning of the famous Soo Greyhounds.

Harold Farlow handled the game, and a good thing too, for with any ordinary three-for-a-quarter referee on the ice the busiest men in the Lakeside town would have been the doctors and the undertakers. The game did not get under way until 10.30 as the Kings spent four hours in their bus between St. Catharines and Port, bucking, fighting and ramming their way through snowbanks and drifts.

PLAYING HOCKEY IN THE BOWLAWAY—Might just as well play it there, as outside of Grimsby and Port Colborne there is no other rink in the FRUIT BELT that has ice to perform upon. Mild weather is playing havoc with the natural ice boys. Manager GEORGE MARR tried to get the OAKVILLE Monday night game transferred to the local ARENA but the Lakesiders turned the idea down cold. Result, no game. It is an even money gamble that the PEACH KINGS will not play in THOROLD tonight. Of course, the THOROLD game against the KINGS, in Grimsby, will go on, for the local ice palace still lives up to its slogan, "Good Ice In Any Weather." One good thing about the mild weather it has kept the KINGS from playing two nights in succession. . . . Congratulations are the order of the day to FRANCIS CRAIG. The boy since returning from overseas has been an employee of the Bell Telephone Co. He has attended to his job well and as a result has been appointed to the engineering staff on outside construction and maintenance. This was really a double promotion for the fast flying PEACH KING for he did not have to go through a foremanship, being stepped right up over that position. Hockey fans will be glad to hear of this well merited promotion. . . . Just between you and me and the gate post there is nobody in the country who was happier to see the mild weather come than OLD POP McVICAR. He has reasons. . . . Orchids this week to VICKI METCALFE for her 206-296-279 for a triple 781. It won the weekly prize, too. . . . Yes, LITTLE WHIZZER has an overcoat. He had it on the other day, when the sun was shining. . . . With the exception of RED DORIS the NORTON tribe has dropped completely out of the picture. There'll be a comeback. . . . And the PRINCESS had 91. . . . Thanks to BELL WILSON the SOUTH HAVENS did not fall entirely out of the league last week. . . . What has gone wrong with the PEACH QUEENS. There is not a player in the league or a team in the league that is playing up to standard. . . . GRIMSBY LEGION made no mistakes about that win over FULTON on Monday night in the FRUIT BELT league, giving the boys from the south a 7-0 kalsomining. MOUNT HOPE defeated BEAMSVILLE 4-2 while WINONA laid STONEY CREEK away 5-3. . . . LITTLE WHIZZER has come to life. He rolled a triple 734 Monday night to help the PIRATES defeat PIN TWISTERS 3-1. When you can do that to the ZIMMERMAN'S you have accomplished something. . . . BLACK CATS got chased off the back fence again. This time by the LUMBER KINGS who took all four points.

Dunnville 7; Peach Kings 2

'Tis rumoured around the town of Dunnville that Soggy Green was not the lucky baby to be born with a silver spoon in his mouth, but the stork that winged its way up the Grand did equip Soggy with a nice pair of silver skates and a long long pair of arms. Both of which Mr. Green used with superb advantage against the Peach Kings in Dunnville last Wednesday night. In defeating the Kings by a seven to two count, the Dunnville team did get the majority of the breaks, while our guys were weak defensively, and seemed lost at times on offensive plays. The same Mr. Green aside from his four goals, fore-checked the Kings into the fast natural ice, until at times they looked like a bunch of strangers trying to play a game of shinny.

Bad games do come and we hope this is one that has come and gone, for there is little doubt that the Kings would never get past this group if they continue to play hockey of the same calibre as in this game.

Actually that's about all the space the game is worth, but for the archives sake here are the statistics.

First Period

1. Dunnville—Tylee (Pennell) 5.03
2. Dunnville—T. Long 6.06
3. Dunnville—Green (T. Long) 7.52
4. Dunnville—Green (Fry) 10.22
5. Dunnville—Green 19.52

Penalties: Miller, Fry, Jones.

Second Period

6. Grimsby—Tallman (Zuke) 10.43
7. Dunnville—Pitts (Pennell) 11.24

Penalties: Craig, Miller.

Third Period

8. Dunnville—Green 11.31
9. Grimsby—Kemp (Reid, Tallman) 16.34

Referee—Jack Cuthbert, Port Colborne.

NEW HORIZONS IN Canada Unlimited

MAYBE HE'LL PLAN YOUR NEW HOUSE...

... the house of the future ... the house that crystallizes all your notions of what a house should be! Maybe he'll rear a mightier power plant ... a more beautiful skyscraper ... a church such as Wren could only dream of ... a community where Canadians of the New Age can taste life more fully.

The stuff of such things, the brains and energy to shape them, are the heritage of all Canadians. And Canada's Youth is on tiptoe, girded to meet the challenge of Tomorrow.

Youth needs only encouragement ... active leadership in business and public affairs ... to loose its energies, spur its ambitions, and swing wide the gates of opportunity. Given that, the path stretches bright and clear to New Horizons in Canada Unlimited.

FOUR BRIGHT TARS

goal—vocal perfection w. cor. plete simplicity. This accomplish- ment has thrilled and delighted audiences wherever they have per- formed.

The ensemble is truly a family one, and has not earned the title "Canada's Most Unique Family" without reason, for these three young singers—two brothers and a sister—have received their musical education from their mother, Vera Henderson Davis, and are at all times under her personal direction. It is also of interest to note that these artists are under the able management of their father, William Malcolm Davis, who is at once producer and business man- aged for the troupe.

Here, then, is the opportunity to see and hear singers who have been described on all occasions in glowing terms in a program of wide variety selected from their extensive repertoire.

"The Davies" are destined by commentaries of critics and au- diences alike to occupy a promi- nent and individual place in the world of music.

They are truly the "concert find" of this decade.

BELL TELEPHONE

in the number of telephones on rural lines.

Stoney Creek and Winona sub- scribers will be entitled to call one another without paying a long dis- tance charge and, in addition, Win- ona and Grimsby subscribers will be allowed to talk to one another without extra charge. However, a 10-cent charge will apply on calls between Stoney Creek and Grims- by. Customers in the new Stoney Creek exchange area, who now have Hamilton service will con- tinue to retain this service for the lifetime of their individual con- tracts.

The new Stoney Creek exchange will be equipped with modern dial apparatus. While details of the actual building and of the equip- ment will be announced later, both are intended to provide adequate facilities for future telephone ex- pansion of the community. Winona Exchange shows a marked in- crease in both traffic and tele- phones since 1939, the present number of telephones totalling 1,025 as against 616 in 1939, while daily local calls are almost double the 1939 average.

NEW WARDEN

Township of Niagara to his credit. A veteran of the first Great War, he is a prominent member of the Old Niagara Branch of the Cana- dian Legion.

Warden Patterson expressed his appreciation for the honor accorded to him and to his municipality, Niagara-on-the-Lake, and request- ed their co-operation in 1947. He urged that the general administra- tion committee of the council con- tinue with their work of redecor- ating the county buildings and re- quested support for the assess- ment committee in their work to give fair assessments to every municipality in the county. Con- cluding his remarks, Warden Pat- terson recommended that Lincoln County continue on a "pay-as-you-go" policy.

Ex-Warden Robert Johnston pre- sented the key of the warden's of- fice to the new Warden of Lincoln and spoke of the changes in the office and building as a credit to the county. Short addresses, prais- ing the county council for the re- decorating carried out in 1946, were given by four ex-wardens of Lincoln, Thomas W. Alsa of North Grimsby, Ernest H. Hack of Grantham, Stanley Youik of Calistor and Norman D. Miller of Louth Township.

In a short address congratulat- ing the new Warden on his elec- tion, Reeve Lyburner said that he did not commence elec- tion soon enough. "If that is the case," Mr. Lyburner said, "if I should be the representative of Calistor in 1948 I'll declare myself a candidate for the wardenship today."

COUNTY COUNCIL

County of Oxford, the council ent on record as being in favor of compulsory carrying of insurance, by motor vehicle owners. Since it is stipulated that where insur- ance is refused, it be necessary with the owner to deposit a bond. Council recommended that before more thorough inspection of qualifica- tions be made by the Department.

The annual membership fee of \$15 was authorized for mem- bership in the Ontario Good Roads Association and the council, road su- perintendent, road foreman, traffic officer and county clerk were dele- gated to attend the annual con- vention of the association to be held in Toronto this year. The matter of replacement of old stump and rail fences which are along county

roads and which hold the snow was left to the discretion of the road committee by council. In a- doption the report of the committee council approved the resolution of the Council of Wellington petition- ing the Department of Highways to pay an increased subsidy on snow plowing expenditures.

Reeve Leonard Hoare of Merrit- ton, chairman of the General Ad- ministration Committee, presented the report of his committee notifi- ing council of proposed added im- provements to the county build- ings and especially to the judge's dais in the court room and in the chancery chambers of the court house.

Accepting the report of the Leg- islation Committee presented by Reeve S. H. Ecker of South Grims- by, council decided to subscribe to the full seasonal service of Bills and Orders of the Day from the Clerk of the Legislative Assembly at a price of \$12 per season. De- puty-Reeve R. G. Dawson of Ni- agara presented the report of the Industrial Home Committee when accounts were approved for pay- ment. The Board of Management of the Home, the superintendent and the matron were delegated to attend the annual convention of the Association of Managers of Homes for the Aged and Infirm to be held in Hamilton and council authorized the payment of the \$10 membership fee for the Associa- tion.

Before adjourning council passed the necessary by-laws appointing County Clerk W. H. Millward to the Board of Audit; Chairman R. G. Dawson and Deputy-Reeve W. H. Nicholson of Louth Township to the Industrial Home Board of Management and three members of council to the special road com- mittee. Chairman Heaslip was ap- pointed for two years, Reeve Har- old S. Freure of Clinton for three years and Reeve J. R. Stork of Louth for one year. The last two named will replace ex-Reeve Char- les W. Durham of North Grimsby and ex-Reeve George Montgomery of Clinton. A by-law was also passed by council adjusting the salary of Mrs. Roger Comfort, matron of the County Industrial Home.

COUNTY ROADS

the provincial government to sub- sidize sewage disposal in villages of a population of 1,500 or less.

The County of Wellington re- quested approval for a resolution petitioning the Department of Highways to pay an increased sub- sidy for snow plowing work on municipal roads.

A resolution of Victoria County recommended the appointment of more game wardens, the raising of minimum fines for illegal fishing and the establishment of minnow ponds for re-stocking streams to aid the tourist industry.

Approval was requested by the County Council of Northumberland and Durham for its resolution re- commending that \$2,000 be the minimum exemption from income tax and that it apply to all wage earners and not solely to members of parliament.

Notification was received by the council of various convention dates. Ontario Good Roads Associa- tion in Toronto on February 25 and 26; County Council section of the Ontario Trustees and Ratepay- ers' Association in Toronto on April 7 to 10; Ontario Association of Rural Municipalities in Toronto on February 24 and 25; Ontario As- sociation of Managers of Homes for the Aged and Infirm in Hamil- ton in June; Ontario Agricultural Council in Toronto on February 12 and 13; and a conference of mu- nicipalities organized by the De-

Dunnville 7, Peach Kings 2.
Peach Kings 12; Oakville 3.
Thorold - Port Dalhousie Friday game postponed.
Peach Kings at Oakville, postponed.
Dunnville 5; Pt. Dalhousie 4.
Pt. Colborne 11; Thorold 4.

Peach Kings 12; Oakville 3

There are probably three good reasons for last Friday's twelve to three win over the Oakville Legion team.

1. Oakville is the weakest team in the group.
2. The Peach Kings played a good grade of hockey, with all hands skating and passing to good advantage.
3. A guy named Wilson put on the poorest show of sportsmanship that has been witnessed here for a long time. Serving twenty-five minutes in the jug, his already weak team was handicapped considerably.

Agreed or not, that's the way we call it. Negatively speaking, one might ask how the Oakville team could play a eleven-eleven game tie with Port Colborne, and then put up such a poor show here. To continue, how could the Kings play such a lousy game against Dunnville, and come back here and go great guns. These we can't answer, and admit it. The third "reason" concerning Oakville's Wilson. They tell me that he has played several games with Hamilton Pats. This would prompt us to send a wire, (collect, of course) to the Oakville executive.

Oakville Executive.
Oakville Ontario.

Re Wilson—Send him back.
The Independent.

The initial twenty-minutes of hockey, saw the men of Grimsby rally forth to thrice bulge the twine. Two of these being long shots from the vicinity of the blue line. "Mush" Miller and Craig drawing the tallies. Pete Tallman got the third counter, as Oakville countered once. There were no penalties in this frame.

Wilson came into his own in the second period, drawing three minor penalties and a misconduct from the Irishman from Port Colborne. The Kings scored four goals in this period, which was not particularly exciting. Playing short-handed the Oakville team was naturally open to frequent breaks, from our guys. This if nothing else gave the fans something to scream about, and I must say that we have some very fine soprano screamers in our midst.

The "automatic" third saw Oakville score the first and the last goals, with the Kings running up the arena hydro bill by lighting the red light five times. Two goals from the stick of Warner were nicely executed as Reid and Craig drew assists. Craig and Warner each notched three goals and one assist throughout the contest. Tallman picked up a couple, while Reid and Zuke picked up a goal and two assists each. Hutchinson was credited with three assists. At any rate the Kings picked up twelve goals from eleven assists, and called it a day.

First Period

- 1.—Kings—Craig (Mattison)... 2.25
- 2.—Oakville—Dowdle... 10.32
- 3.—Kings—Miller... 15.47
- 4.—Kings—Tallman (Hutchinson, Zuke)... 18.05

Second Period

- 5.—Kings—Craig (Reid)... 2.05
- 6.—Kings—Warner... 6.12
- 7.—Kings—Reid (Zuke, Hutchinson)... 12.50
- 8.—Kings—Blanchard... 12.58

Penalties: Wilson (3 minor, 1 misconduct); Warner, Craig, Whitfield, Hann.

Third Period

- 9.—Oakville—Joyce... 1.32
- 10.—Kings—Warner (Reid)... 7.05
- 11.—Kings—Warner (Craig)... 7.15
- 12.—Kings—Tallman... 8.50
- 13.—Kings—Zuke (Hill, Hutchinson)... 9.15
- 14.—Kings—Craig (Warner)... 12.20
- 15.—Oakville—Brown (Taylor)... 12.55

Penalties: Wilson (minor and major); Miller (minor and major); Langway, Hann.

Grimsby: Goal, MacMillan; defense, Reid, Miller; Centre, Craig; Wings, Mattison, Warner. Subs: Zuke, Tallman, Hutchinson, Whitfield, Blanchard, Hill, Hann.

Oakville: Goal, Wilson; defense, Dowdle, Langway; Centre, Wilson; Wings, Speck, Savage. Subs: Yarnold, Snowball, Joyce, Taylor, Green, Brown, Ryan, Watson.

HEALTHFUL THINKING

Morbid fixation on the functioning of the body is not the way to true health, says an announcement from the Department of National Health and Welfare. The department quotes a leading authority, who describes health as a "perfectly natural and unconscious state of mind and body, evident in a sense of well-being." A healthy person, it is pointed out, enjoys activity, has an exploratory interest in life and is well-fitted to stand up to adversity, to endure and to overcome difficulties, whether mental or physical.

NELSON'S "VICTORY" IS STILL "SAILING"

Ship-Shape And "Afloat" The Flagship Has Been Maintained In Her Original State.

The "Victory" of Trafalgar still sails the seas. Though her wooden keel is firmly cemented to an all-enclosing dry dock (the oldest dry dock in Britain) there is always water in the bottom to maintain one of the Royal Navy's fondest traditions.

H.M.S. "Victory" holds a place that is unique in the hearts of all Britons, whether they are naval men or not. Battle of Trafalgar flagship of Lord Nelson, most famous British admiral, she has been maintained in her original state as near as wind and weather will allow. Most of the complicated rigging, the ancient cannons, and bulging wooden hull, are much the same now as they were when Nelson put the telescope to his blind eye.

Regular ceremonies are held aboard every year round the carefully-marked spots where Nelson was first hit by a French marksman's bullet, and on the deck below where he died four hours later. Notwithstanding tradition, however, the "Victory" is no mere relic. With a small crew engaged mostly on maintenance duties, and as visitors' guides, she is the official "ship" of the Commander-in-Chief, Portsmouth (the senior R.N. Port Division). The Commander-in-Chief dines aboard every day, using Nelson's original quarters, and most important naval courts-martial also take place there.

Some of the ship's guns were used recently to illustrate a gunnery instructional film. When the dirty black clouds of smoke had cleared, and the cameramen had rediscovered the power of hearing, total damage was found to be: three windows, one cannon, one electric-bulb, and no bones broken!

During the war the "Victory" housed many young seamen who later became R.N.V.R. officers, distinguishing themselves at such "small ship" battles as Salerno, and Walcheren. German bombers made determined attempts to destroy her, knowing in what reverence she is held. Though they failed, two or three incendiary bombs fell through parts of the wooden hull, causing damage that might have proved fatal but for prompt action on the part of the young cadets aboard.

It is a whole-time job keeping the "Victory" ship-shape, especially now that her full treasures are being restored from their war-time hiding. Many of the wooden planks are beginning to spring, but liberal doses of paint are hiding most of the damage, and to-day the ship shines like a spring-time fashion.

Sailors hold H.M.S. "Victory" in very real affection, and vehemently reaffirm the old boast that she is "the finest ship afloat."

BOXING "GREAT" ONCE BALANCED PLOW ON CHIN

Harry Muldoon Knew Sullivan And Co. — Lives With Books And Goats — Still Hale At 70.

Sixteen goats and a stack of law books provide work and nourishment for 70-year-old Grant East-known as "Harry Muldoon" at the turn of the century when he was a champion wrestler and boxer. Today he lives in a one-room house at the edge of Romance, Sask., a town 80 miles north of Regina and thrives on his goats' milk while doing odd jobs and studying law.

A former middleweight wrestling champion of Wisconsin, "Muldoon" as residents here knew him, was born at Harrisville, West Virginia, and after a boyhood on a Texas farm came to know the fighting celebrities of the early 1900s including John L. Sullivan, Bob Fitzsimmons, Jake Kilrain and Yussuf, the Terrible Turk.

Muldoon, still hale, boasts that in his athletic prime his body was said to be proportionately as perfect as that of the famous Eugene Sandow, bobby-soxers' and older ladies' hero of the day, and model for painters and sculptors.

Leaving home at 16 years of age, Muldoon "bummed" to all parts of the United States as an itinerant painter, stepladder, boxer and wrestler.

When he staged his own road show the act audiences applauded most, he recalls, was his feat of balancing a plow on the tip of his chin.

He came to Canada in 1906 and put on exhibition matches in Regina, Saskatoon, Moose Jaw, Lethbridge, Prince Albert and other western centres. But a dislocated knee in 1912 forced him out of the ring and he then settled on his farm near here. However, he is still in demand as a referee whenever there is a boxing match in the district.

TELEGRAPH COMPANIES HANDLED TELEPHONES

In the first years after the telephone became a utility the exchanges were managed by the telegraph companies. It was not until 1880 that the final decision of the United States Supreme Court assigning priority of patent to Alexander Graham Bell put all competitors out of the field. For two or three years prior to that Bell's invention had been handled in Ontario, Quebec and the Maritime provinces by the Dominion Telegraph Company, while the rival Edison system was in the hands of the Great North Western Telegraph Company for Ontario and Quebec, and of the Western Union for the Maritime provinces.

Following the judgment of the U.S. Supreme Court, the telegraph companies retired from the field of telephony and the Bell Telephone of Canada took over. In later years its field has been confined to Ontario and Quebec, as in 1888 the service in the Maritimes was relinquished to local companies.

Several devices tending toward the perfection of voice transmission stand to the credit of the wizard of Menlo Park, among his

TRINITY SERVICE CLUB ANNOUNCE

"The Davies" Are Coming to Grimsby

Four Stars in a Four Star Concert

NOBLE DAVIE, Baritone

"The Invocation of Orpheus" was an excellent choice for Noble Davie, the baritone of the company. It was beautifully phrased, and revealed the wide range of his voice admirably.—The Stratford Beacon-Herald.

VERA HENDERSON DAVIE, Director

"Adding decidedly to the enjoyment of the program were the introductions, made by the fourth artist, the trio's mother and skilful accompanist, Vera Henderson Davie."—The Listowel Banner.

FRANCES DAVIE, Mezzo-Soprano

"Miss Frances Davie possesses a voice of pure legato quality and all her songs were sung in good tone and with understanding."—The Wingham Advance-Times.

NELLES DAVIE, Basso

"Nelles Davie's rich basso voice was heard with wonderful effect in a variety of songs. He completely captivated the audience."—The Hanover Post.

"THE DAVIES", "Canada's newest concert personalities," who have triumphed in their recent Ontario tour, are now coming to Grimsby under the sponsorship of Trinity Service Club. "THE DAVIES" have been acclaimed by critics everywhere, including Edward Woodson of the Toronto Evening Telegram who wrote of their Georgetown appearance, "Three beautiful individual voices—not a forced or quavering tone amongst them. A mezzo-soprano mellow as the thrush and limpid as the nightingale. A baritone of John Charles Thomas' range and sympathy. A basso cavernous as Paul Robeson's with tenor timbre in topmost register. Vera Henderson Davie, at the piano, was a miniature orchestra without orchestral distraction."

Water for Livestock in Winter

Livestock need plenty of water to drink in cold as well as in warm weather. A supply of good drinking water for farm animals in winter is just as important as in summer and requires more care on the part of the farmer if the livestock are to do well. It is poor business, says the Dominion Department of Agriculture to skimp on the drinking water supply in winter weather, as the animals are often entirely at the mercy of the farmer in this respect, which is not so much the case in the summer. Milk cows should not be given ice cold water in winter time.

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Thorold play Peach Kings to-morrow night.

Ladies' Night at the Lions Club next Tuesday evening.

Brock's Monument at Queenston is now illuminated by floodlights.

D. E. Anderson is Chairman of the Hydro Commission for this year.

Annual meeting of Niagara Packers Limited, will be held on Monday afternoon, February 17th.

Thos. W. Allan, Clerk of North Grimsby, reports that there were a total of 167 births in the township in 1946. This large number is due to West Lincoln Memorial hospital. There were eight marriages and 32 deaths.

"The Davies", nationally known concert personalities are coming to Grimsby on Monday evening, February 10th, to present their repertoire of musical gems in Trinity Hall, under the auspices of the Trinity Service Club.

If you want to see a really deluxe home on wheels drop in at the Grimsby Garage and see the new Inglis-Schult Trailer Coach that is now on display. This mobile home has all the accommodations and conveniences of a real permanent home and is well worth being inspected.

Grimsby Fire Department had a call last Wednesday night to the old Thompson Wilcox farm on the Thirty Road where a chicken coop went up in flames. This farm is now being operated by a Jewish group in teaching proper farming methods to young Jewish boys and girls.

Town council held a special meeting on Friday night last which was attended by Dr. Berry of the Ontario Department of Health and representatives of the engineering firm that made a survey of the sewage system last year. Progress on sifting out the details of the survey was made, but there is still much to be done.

Faced with mounting deficits, Welland County General Hospital Board of Governors have decided to increase rates for ward and semi-private patients by 50 cents per day. The ward patient rate now will be \$3.50 per day. Private rooms are to be available at rates based on "comparative disability" with the minimum charge \$7 per day.

Mowing a field of hay in winter-time is something new in this part of the country but that is exactly what Roy Durham, South Grimsby Township farmer, living near Smithville, did a couple of weeks ago. Following the recent ice storm, Mr. Durham's uncut hay was transformed into a field of standing icicles. He fastened a board arrangement behind his team, drove over the field and made as clean a job as any mower could do.

NEWSPAPER PICTURE IS CAUSE OF ARREST

German Prisoner Of War Had Been Living At Vineland And Working In St. Catharines Since Last September.

(St. Catharines Standard)

A picture published in a Toronto newspaper led to the arrest of Erwin Beier, 23-year-old escaped German prisoner-of-war, in St. Catharines Friday morning. Beier had been working as a plumber's helper at the St. Catharines Steel Products Ltd. for the past two months, using the assumed name of "Martin."

According to police, another employee of the company saw the picture of the wanted man and thought that it resembled "Martin" who was said to be a popular, efficient worker. He went to A. G. Bolton, personnel manager and told him of his suspicions.

Friday morning Beier came to Mr. Bolton asking for his pay and stating that he wished to quit his job. He was unable to give any reasonable explanation for leaving the company. Mr. Bolton told police, and in view of his fine record and apparent happiness there, it aroused further suspicions that he was the wanted man. He notified police who made the arrest.

Beier had been living at Vineland, after escaping from the St. Thomas prisoner-of-war camp on Sept. 5. It is believed he saw the picture and decided to leave the area. He is being detained here pending action by the R.C.M.P.

A magician is the man who can always select the right key out of the bunch to open the door without first trying all the keys.

REAL ESTATE

Grimsby Stove and Foundry Co., have purchased the vacant property at the corner of Robinson and John Streets from the Horrocks-Ibbotson Co. of Utica, N.Y. This property is directly across the street from the plant of the Foundry Co. The Horrocks-Ibbotson Co. were burned out about six years ago and since the end of the war there have been pro and con rumors as to whether they would build a new plant and operate their fishing tackle plant in Grimsby again. The sale of the property sets all rumors at rest.

Through the Pettit and Whyte Agency the fine home on Robinson Street south, owned by Mrs. Robert Moxley, has been sold to Mr. R. W. Mitchell of Ottawa, who is taking a position with E. D. Smith and Sons, Winona.

NOISE AND VIBRATION

Noise, one of the many disadvantages of complex modern life, is recognized as a social evil. Centralization of traffic and industry in urban areas has so intensified destructive effects of noise and vibration as to constitute these conditions as major health engineering problems.

Transit development, as well as growing street traffic, brings a rapid and continual increase in the sources of vibration and noise. Increased traffic facilities are accompanied by increased height of buildings, and, since the susceptibility to vibration of steel or concrete structures increases with their height, the effects of vibration are intensified. Modern business conditions increase human susceptibility, moreover, so that vibration and noise become a menace to health.

Man wants but little here below. Just so one doesn't bother his woman, money, liquor and tobacco.

The boss is the man who can tell a funny story three times to the same people and no one remind

PROMINENT SPEAKERS COMING TO GRIMSBY

All Citizens Are Invited To Attend Chamber Of Commerce Meeting On February 11th.

At an executive meeting of the Grimsby Chamber of Commerce on Monday night, Don Marshall was elected President of the newly organized body with Oliver Shaw as vice-President. Members of the executive committee are Lewis McNiven, Clifford MacCartney, Mel Johnson, Don Beamer, Bert Constable, Douglas Scott and John B. McCausland are ex-officio members. Mr. McCausland is acting Secretary until such time that Mr. A. C. Price can take over the permanent secretaryship, which it is expected will be within a few days.

At the present time a canvass is being made of the town and township to secure new members and the workers are meeting with good success. The membership fee is \$2 per year.

A meeting will be held in the High School Auditorium on the evening of February 11th, to which all residents of the Fruit Belt are invited. C. Syd Matthews of Toronto, Ontario Manager of the Chambers of Commerce will be the guest speaker and his topic will be "Co-operation of Chambers of Commerce."

C. E. Wilcox of Niagara Falls, Ontario, will speak on the subject of "Chamber of Commerce Place in The Tourist Picture."

THE UNLETTERED PRESS

A musty file of early Western newspapers reveals the following interesting announcement:

"The Roccay Mountain Cyclone begins publication with some phew diplicities in the way. The type phounders phrom whom we bought our outfit phor this printing ophifice phailed to supply us with any ephs or cays, and it will be phour or phive weex bephore we can get any. We have ordered the missing letters, and will have to get along without them until they come. We don't lique the loox ov this variety ov spelling any better than our readers, but mistax will happen in the best regulated phamillies, and iph the p's and the c's and the x's hold out we shall ceep (sound the C hard) the Cyclone whirling aphter a phashion till the sorts arrive. It is no joque to us—it's a serious apbhair."

The man who has the most time to answer letters is usually the one who never does it.

Atlas couldn't hold the world on his shoulders nowadays. He would be worrying about the atomic bomb.

STANDING COMMITTEES OF COUNTY COUNCIL

Standing committees and appointments of Lincoln County Council for 1947, struck in committee of the whole under the chairmanship of Reeve Cecil Secord of Grantham Township, were approved Wednesday morning as the council got down to routine business.

The following chairmen and vice-chairmen were named, with the whole council on their committees:

Finance — L. R. Lymburner, chairman; A. C. Price, vice-chairman; and the whole Council.

Roads — W. E. Heaslip, chairman; and the whole Council.

General administration — L. J. Hoare, chairman; and the whole Council.

Industrial Home — R. G. Dawson, chairman; and the whole Council.

Charity and Welfare — F. L. Laundry, chairman; M. B. Misenner, vice-chairman; and the whole Council.

Agriculture — J. B. Aikens, chairman; Carman Cosby, vice-chairman; and the whole Council.

Assessment — I. D. Buchanan, chairman; and the whole Council.

Education — R. M. Johnston, chairman; J. R. Stork, vice-chairman; and the whole Council.

FISH LIVER OILS

Inclusion of fish liver oils in a child's diet, particularly in the winter months, to supply Vitamin D, required for building strong bones and healthy teeth, is recommended by the Department of National Health and Welfare, Ottawa. When the days are short, we can not depend upon the sun's rays as a source of Vitamin D, but health authorities point out that this vitamin is found in fish liver oils, which should be served to compensate for the lack of sunshine.

Retire these Kitchen Veterans... buy these keen, new...

HOUSEWARES
